We employ forty people in the field who work in concert with the ten people of our office staff. Everyone has a distinct and individual role. We believe this approach is the ideal size for our organization; large enough to be versatile, and lean enough to be focused. We are able to handle a broad range of projects with precision and professionalism; from the ground-up construction of a new house to bath and kitchen remodels. Extensive and complex renovations of existing homes are our specialty and are a major segment of our business.

The Mayor's Office of Housing (MOH) coordinates the efforts of the City to maximize housing opportunities for low income households and individuals. We administer a variety of programs for housing finance funded by federal, state, and local sources. We also work closely with federal, state and other local agencies to coordinate their efforts with ours.
